

2018/2019 Registration

Our 2018/19 Season is going to be great!!! We are excited to have you join us! To help you get started, here is some “need to know” information about our programming. We have broken our registration process into 3 easy to follow steps!

Step 1: Read over the information and decide as a family on pre-competitive or prep/competitive programming

Step 2: Go to www.prairiefirecheerleading.ca and select the “Register Here” button found under the Registration tab or the Team Placement tab.

Step 3: Select one of the following:

“**Pre-competitive**” – this will prompt you to register for the pre-competitive team for your age group and you are all set and ready to go!

“**Prep & Competitive**” – this will prompt you to register for fall team placements. Team placements is where we bring in all the athletes interested in a prep or competitive team so that we can see where everyone is starting their season off.

Athletes will be registered to come to the gym with approximately 20 of their peers the week of August 20th. There will be a short form to fill out when you arrive. You will need to bring shoes, a water bottle and something comfortable to wear. The athletes will warm up together and then will have the opportunity to work with the coaches on stunting, jumping, stretching, dance and tumbling. Parents are more than welcome to watch. After team placements are done for the entire club (at the end of the week), you will receive information in an email about which team your athlete has been placed on.

Everyone is placed on a team! The team placement process enables us to place kids with other kids at the same starting point so that everyone feels great with the skills and abilities they bring forward to their team – nobody is too far ahead or too far behind their teammates!

About our teams and our programs!

Our teams are first split by age and then by skill and commitment level. Teams range in size from 10-12 athletes all the way up to 32 athletes. If you are new to our gym we have a couple of different options for you. You first get to decide if you are interested in our pre-competitive program (ages 3-8), or our Prep/Competitive program (ages 5-adult). Age is decided by how old your athlete is on August 31st, 2018.

Tiny: Ages 3-6 years old

Mini: Ages 7-8 years old

Youth: Ages 9-11 years old

Junior: Ages 12-14 years old

Senior: Grade 9-18 years old

New Open team: 17 years and older & Graduated High School

Open level 5/6: 14 years & older

Please note, Due to a couple NEW teams this year we will not confirm our practice/class schedule (the dates/times for our teams) until July 1st, 2018

Below is our practice Schedule for the 2018 2019 season. Additional teams this year caused PFC to adjust and move some of the teams to the weekend practices. Tumbling will be organized into 1.25 hour blocks during the week. These groups will be leveled and assigned a time before Sept 1, 2018.

Streams

Pre-Competitive: Our Pre-competitive stream is perfect for families wanting to try out our sport, have additional commitments to other activities, or are wanting to keep expenses down. These pre-competitive teams run once per week on the weekend in a non-competitive environment and offer athletes the opportunity to perform at showcases and demonstration performances while learning about our sport and working towards a routine to perform. There are no competition or travel expenses for our Pre-Competitive Stream.

Prep: Our Prep division is a great opportunity for both new and returning athletes age 7-11 years old. This is a very new stream that we had the opportunity to try out with some of our teams last season. It offers the athletes of our gym an opportunity to find more success within our level 1 division. These teams have performances and competitions throughout the season. There are minimal competition/travel expenses involved with these teams.

Competitive: Our competitive stream is intended for returning or experienced athletes or athletes interested in committing to two or three practices per week in a more competitive environment. These teams are required to have a higher level of commitment, and depending on the age group, more competitions and travel expectations.

Uniforms

We use our uniforms for three years, this upcoming season is year two with the following uniforms, there may be used uniforms available to purchase. If you are purchasing a second-hand uniform, please ENSURE it is the correct uniform for your team (photos of your team uniform will be made available).

Flicker, Kindling & Firestarters will be wearing a club t-shirt and team shorts for their performance wear – this helps keep the costs down for our pre-competitive stream, yet will keep them in matching club attire. A uniform for this stream is \$50.00 tax inc.

Firebugs, Burn, Spitfires will be wearing a black based uniform with a long sleeved, long top and shorts \$170.00 (Short \$50.00, Top 120.00 tax inc.)

Forms and Payments

This season we have moved to an online format – all forms and payments will be set up online. We offer four different payment plans (1 payment, 2 payments, 4 payments, monthly payments) so that you can choose the best option for you. Payments can be made with a credit card, or out of your bank account. There is no need to stand in line this season to fill out paperwork and set up payment plans!

Family Discount & Referrals

Families will only pay one administration fee – this means if you have more than one direct family member registered for a 2018/19 team you will receive a discount of \$100, \$200 or \$300 for each *additional* member based on the teams that they are registered for.

For our 2017/18 team athletes – if you refer a friend, and they register for a team for our 2018/19 season and let us know that you referred them, you will receive a credit of \$75 per referral in December of 2018 if their account is in good standing.
