

2019/2020 PFC REGISTRATION

Our 2019/20 Season is going to be the season! Here is some information to help you get started. We have broken our registration process into 3 easy to follow steps!

Step 1: Read over the information and decide as a family on pre-competitive or competitive programming

Step 2: Go to www.prairiefirecheerleading.ca and select the “Register Here” button found under the Registration tab or the Team Placement tab.

Step 3: Select one of the following:

“**Pre-competitive**” – this will prompt you to register for the pre-competitive team for your age group and you are all set and ready to go!

“**Competitive**” – this will prompt you to register for fall team placements. Team placements is where we bring in all the athletes interested in a competitive team so that we can see where everyone is starting their season off.

FAMILY DISCOUNTS

Families will only pay one administration fee. This means if you have more than one direct family member registered for a 2019/20 season you only pay one admin fee (one athlete: \$300 admin fee, two athletes: \$300, three athletes: \$300). For our 2018/19 team athletes: if you refer a friend, they register for a team for our 2019/20 season and let us know, you will receive a credit of \$75 per referral in December of 2019.

OUR TEAMS

Our teams are first split by age and then by skill and commitment level. Ages are determined by a date set by the IASF: **August 31st, 2019**. At team placements, we try to group athletes by skills to provide the best opportunity for growth. Team sizes normally range from 15-20 athletes. Lastly, athletes choose commitment levels: either pre-competitive program (ages 3-8) once a week commitment, or our competitive program (ages 5-adult) 2-3 times a week commitment.

STREAMS

Pre-Competitive: Our Pre-competitive stream is perfect for families wanting to try out our sport, have additional commitments to other activities, or are wanting to keep expenses down. These pre-competitive teams run once per week on the weekend in a non-competitive environment and offer athletes the opportunity to perform at showcases and demonstration performances while learning about our sport and working towards a routine to perform. There are no competition or travel expenses for our Pre-Competitive Stream.

Competitive: Our competitive stream is intended for new and/or returning athletes or athletes interested in committing to two or three practices per week in a more competitive environment. These teams are required to have a higher level of commitment, and depending on the age group, more competitions and travel expectations.

PAST TEAMS

Last year PFC offered a Senior 1 team (Dynamite) and a Senior 2 team (Ignite). This year we have structured the teams and schedule differently to create better opportunities for the athletes and the practice schedule. Athletes who were considering those teams will now have the opportunity to enjoy one of the following teams: J Int. team (ages 10-16), Junior 2/3 (ages 12-14) or on S3 (ages 15-18). If you have questions about what team is best for you, please contact Todd 306 230 0182

TEAM PLACEMENT

Athletes will be registered to come to the gym with approximately 20 of their peers the week of August 19th. There will be a short form to fill out when you arrive. You will need to bring shoes, a water bottle and something comfortable to wear. The athletes will warm up together and then will have the opportunity to work with the coaches on stunting, jumping, stretching, dance and tumbling. Parents are more than welcome to watch. After team placements are done for the entire club (at the end of the week), **you will receive information in an email about which team your athlete has been placed on by Sunday August 25, 2019.** Everyone is placed on a team! The team placement process enables us to place kids with other kids at the same starting point so that everyone feels great with the skills and abilities they bring forward to their team – nobody is too far ahead or too far behind their teammates!

UNIFORMS

We use our uniforms for three years. This upcoming season is the last year of a three-year cycle however, there is always a limited supply of second-hand uniforms available to purchase. If you are purchasing a second-hand uniform, please ENSURE it is the correct uniform for your team (photos of your team uniform will be made available).

Pre-competitive teams (Flicker, Kindling, Firestarters) will be wearing a club t-shirt and team shorts for their performance wear – this helps keep the costs down for our pre-competitive stream, yet will keep them in matching club attire. A uniform for this stream is \$50.00 tax inc.

Competitive teams (Firebugs, Burn, Spitfires) will be wearing a black based uniform with a long sleeved, long top and shorts \$170.00 (Short \$50.00, Top 120.00 tax inc.)

Competitive teams (Firecrackers, Crossfire, Int. J2, Firestorm) will be wearing a uniform with a bit more bling and lots of shimmer. The cost of this uniform will be \$350 for this upcoming season. Everyone will have a long top with a bling and shimmer skort. (skort \$116.75, Top \$183.25, Bra \$50.00 tax inc.)

Competitive teams (Flare, Wildfire, Heat, S4, Int. O5, Hotshots) will be wearing a super blingy uniform. Flare and Wildfire will have the long tops. Heat, S4, IO5 and Hotshots will have the option of a long top or a short top and a blingy skort. This uniform will be \$380. (Skort \$130.00, Top \$200.00, Bra \$50.00 tax inc.)

Dance Teams The uniform will be determined this fall but last year they wore short-sleeved blingy top and black and red dance shorts \$250.00 tax inc. (Short \$50.00, Top \$150.00, Bra \$50.00 tax inc.) This year's prices will be comparable.

FEES

Below you will find each teams' expenses for the season – this includes our administration fee, tuition fee, choreography fee and all applicable taxes. There are no hidden/additional fees that will be added.

- Our fees are reflective of the amount of time each athlete trains in the gym and the needs of each team. We try to make it less expensive for our new athletes and for our young adults. This year, for some teams, there is a fee increase.
- The price below does not include the cost for travel/competition expenses (we confirm the competition schedule on October 1st and then finalize all competition/travel expenses on November 1st – our guesstimates are available on the competition schedule page).
- The cost of the uniform is listed on the right side under “Uniforms” as new uniforms are not required to be purchased each year the expense is also separate and not included in the total.
- The open teams purchase their own makeup and bows.

2019/2020 COMPETITION SCHEDULE

We are really excited about this upcoming season and looking at the possibility of the following demonstrations and competitions for 2019/20.

- Please note that this is a **TENTATIVE** schedule based on team projections. **Competitions will be confirmed October 1, 2019.**
- Athletes are expected to be at each of the demonstrations and competitions for their team.
- At the top, you will notice the **ESTIMATED** athlete costs for attending these competitions. These expenses are not included in your fees. We have found in the past that we are very close regarding the expenses. **The expenses will be confirmed on November 1, 2019** and a payment schedule for each team will be distributed at that time.
