INFORMATION

This year we will continue our Worlds team with a few great changes. We will be practicing 3 times a week, skills camps and choreography with outside instructors, and earlier evening practices. We provide excellent instruction balanced with athlete voice for team decisions. If you choose this team, expect to be challenged and supported, compete at your highest level while building a family and proudly represent the Fire Nation at Worlds! If you have any questions please contact Todd at info@prairiefirecheerleading.ca or 306 230 0182

SCHOLARSHIP

The cost of our worlds team has increased this year but to mediate the costs for our adult athletes (18 years and older and graduated from high school) we are providing a PFC scholarship opportunity. This financial help is intended to help those athletes who are balancing a new reality of rent/schooling/life costs with the opportunities of cheer. This scholarship can cover up to \$800.00 of the admin, choreography and tuition fees, reducing the fees to \$801.50

For those athletes that cannot make the scheduled tryout we will can provide an alternate tryout June 3-7, 2019 (please contact Megan at info@prairiefirecheerleading.ca)
